Hello & Welcome to Fairfirst Smart House Insurance

Your house is not just four walls. It is a nest for generations to come and contains memories, dreams, and a lifestyle of your own. You selected the best of every necessary material to keep your house safe from the unexpected and, most importantly, to provide a place of comfort for your family.

So, join Fairfirst Insurance for the best home insurance plan that will serve as the ultimate safety to protect your home.

This is what makes us,
and this is how
we do things
the Fairfirst Way

We will be the experts in protection to fulfil your potential to progress

Serving in the Sri Lankan market for over 30 years, we have maintained our service and provided home insurance coverage for over 600,000 houses Island-wide.

Deliver service that's memorable

We answer calls in just 3 rings, 100% of the time, and most importantly, by a human. Thus, enabling us to resolve 85% of our customers' problems on the first call. This is why we are the 3rd most popular brand in the general insurance industry. We have also helped our customers by settling over LKR 34.5 million in claims from 2018 to date, so that they could progress in their lives, regardless of difficult times.

We are believers in meaningful innovation

We also believe that our innovation improves the quality of our services and products. For us, innovations are about making a meaningful change in an efficient and sensible manner to cater to the evolving lifestyles of progressive Sri Lankans. Since our efforts are backed by empathy, a contactless process ensures that everything from purchasing a policy to filing a claim is simple and can be done online.

Offering peace of mind to individuals and corporates across this beautiful island

We prioritise value over everything else, which is why our core job is to settle claims fair and fast so that our customer's can find peace of mind.

We have designed customized policy just for you via 3 simple options

01

Covers only contents (i.e personal belongings) within your home.

02

Covers only the building.

03

Covers your house's property and the contents within your home and jewellery.

Since you have a fair idea about where we come from, it's time for you to choose your policy. Make sure you understand what's covered and what's not and the options available to purchase. So, just take a moment to go over the list below to ensure you have selected everything you require!
